### FISCAL ANALYSIS

#### ASSUMPTION

Officials of the **Department of Higher Education**, the **Department of Transportation**, the **Department of Labor and Industrial Relations**, the **Department of Mental Health**, the **Missouri Conservation Department**, and the **Missouri Senate** stated that the proposal would have no direct fiscal effect on their agencies.

Officials of the **Office of the Governor** stated that if the proposal would require Senate approval of appointments to state positions, committees and boards then the proposal would have minimal impact. If the proposal were interpreted to mean that any gubernatorial appointment would require Senate approval then the Office of the Governor would request two (2) additional staff members.

**Oversight** assumes, for fiscal note purposes, that the proposal refers to appointments of members of administrative boards, administrative commissions, department heads and division heads.
